# Our Invitation

## The 1956 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the Iowa Royal of 1956.

There are 48 of the finest herd bull prospects that could ever be assembled in one state. Thirty-six are serviceable aged and well matured. Twelve are coming prospects. Many have show and production records.

Their bloodlines are the most popular of the day and they are the kind that will breed deep bodies and natural thickness on their calves which is far cheaper than to feed it on.

The females represent the choicest bloodlines and most approved type always offered at the Iowa Royal. They are and will be great beef cows that will surely contribute their half to the inheritance of superior beef calves.

We would like to have you note the consignors. Study the photos, pedigrees and footnotes in this illustrated catalog to confirm the rich breeding, outstanding records, and individual excellence of this offering. We feel that you can end your search for the best in Shorthorns here.

Spend a day at the Iowa Royal. See, inspect and talk good Shorthorns. Help generate a world of Shorthorn enthusiasm.

We welcome all breeders, ranchers and farmers from Iowa and many other states who have been attending the Iowa Royal in greater numbers each succeeding year.

Plan to attend. We would like to show our hospitality and give you every service we possibly can.

LANE VIEW DUPLICATOR 3rd—The best bull we have ever consigned to a sale. This bull has just completed a very successful show season. He was champion bull at the Clay County Fair, first and reserve senior champion at Kansas City Royal, the first prize senior yearling at the International. This bull being one of the first sons of Marellbar Duplicator has followed in his sire's footsteps, each having been International class winners as senior yearlings. The dam of this bull was a member of a winning pair of females. Here is an opportunity to own a real herd bull with a great show record and bred to produce good cattle.

**BROADLAWN OUTLOOK**—Here is a good headed, thick, deep bodied, smooth, mature bull with plenty of scale and substance. We have some outstanding calves by him, one of which sells in this sale. His pedigree is of all imported breeding. Sired by the \$5,500 Calrossie Outlook who sired the Champion Pen of Bulls at the 1955 Denver Show and went to California. His dam was a top heifer in the Toronto Sale of Stars. Because his use was limited in our herd he has been on loan the past year to Iowa State College as a service sire of show steers. Here is a proven bull ready for heavy service.

He was third at the 1955 International and a member of the third prize junior get-of-sire. His dam is a great producing cow of our popular Mayflower family and a granddaughter of Imp.
